Total Number of Assisted Units in Homekey Project:			

* If the Project shows a subpopulation, please note that Qualified Homekey Target Populations must be met in addition to this Target Population i.e., Seniors at-risk of homelessness, Chronically Homeless Veterans, etc.

2. Coordinated Entry Participation or similar referral system

NOFA Section 502 States:

“Referrals to Homekey Assisted Units shall be made through the local Coordinated Entry System (CES) or another comparable prioritization system based on greatest need. All referral protocols for Homekey Assisted Units must be developed in collaboration with the local CoC and implemented consistent with the requirements set forth in this NOFA. CoC collaboration in Project and Supportive Services design is also strongly encouraged to help target and serve greatest need populations. If referrals will be made using a prioritization system other than CES, the Applicant must describe the plan for tenant and participant selection, and it shall be reasonably detailed and comprehensive, as determined by the Department in its sole and absolute discretion.”

Please check whether the project will utilize CES:

- The Homekey project **will use CES** to for referrals into Homekey Assisted Units.

- The project has an alternate prioritization system and **will not use CES** (*Please attach or describe below the housing first compliant prioritization and referral method that will be utilized instead.*) Please also describe the planned efforts for CES use in the future and how the Project will coordinate with the CoC. Please mention which agency is responsible for managing this prioritization and referral method (e.g., Health and Human Services) and the official name of the prioritization tool.
